

# HomeRun

## THE SCHOOL NETWORK & JOURNEYS APP

### WHAT IS HOMERUN?

An innovative digital platform that engages school communities and promotes sustainable school journeys.

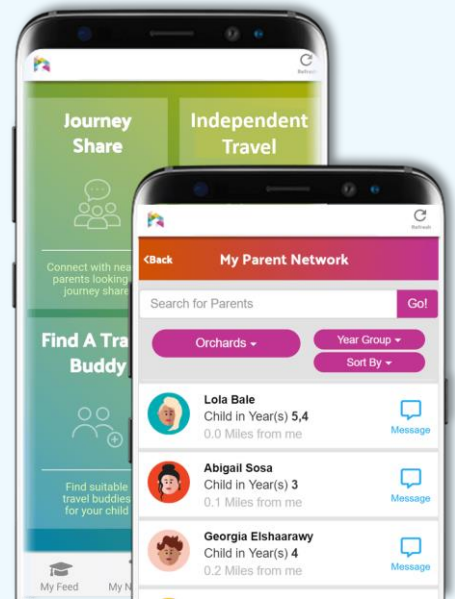

Engaging  
School  
Communities

Reducing  
Air Pollution and  
CO2 emissions

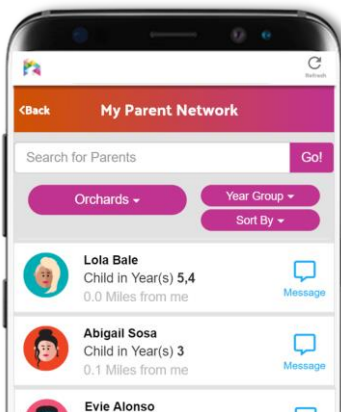

Promoting  
Better School  
Commutes

### KEY FEATURES

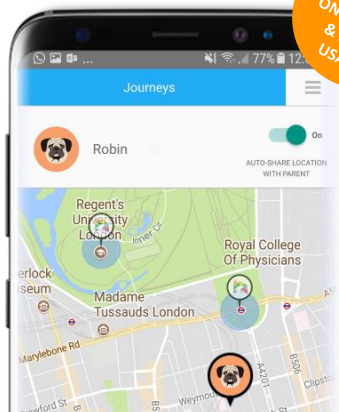

#### Connecting Parents

Connect with parents from your child's school, share posts & information - a great way to keep connected to your school.

A trusted school network without the need to share contact details.

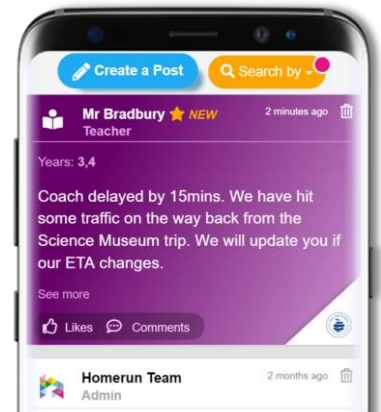

#### Independent Travel & Journey Sharing

Easily find parents to share journeys with and arrange travel buddy groups for your children.

And if your child has a smartphone and would like to travel independently, you can monitor their journey with real-time updates for your peace of mind.

#### Live Notice Board

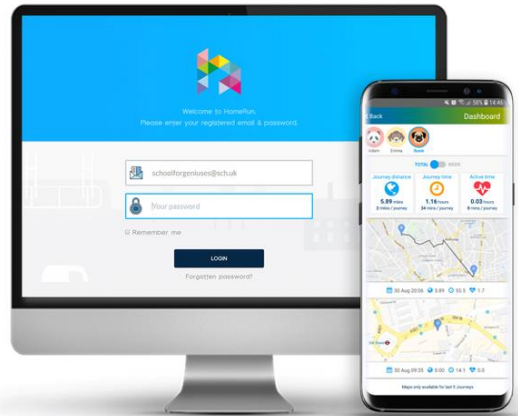

Receive up to date information on your school's travel initiatives.

Send and receive targeted information and be part of your school community.

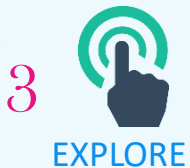

## 3 Simple Steps to Get Started

Join the **HomeRun** platform on your smartphone or desktop by following the **activation link** sent to you by your school.

Follow the **HomeRun setup wizard** to ensure you get the best experience tailored to you.

All data is kept secure & anonymous

- Search for nearby parents
- Create Posts on your school feed
- Improve your child's journeys

Join your school community and become part of the solution!

Let us know if you have any queries or feedback, we love to hear from you!
